This offer won't last! Stop in or call Erin today!

Happy New Year to you and your family from Trinity Insurance and Financial Services. We hope that your time together over the holidays was blessed with much peace and great joy.

With the new year come resolutions. Almost every year, every list contains two similar wishes:

\*Make More Money

\*Save More Money

I would appreciate the opportunity to make these two wishes come true for you! Trinity Insurance and Financial Services has various products to make that happen. Check with the staff at SECU to schedule a meeting and see what higher interest earning products we have to offer.

Another way to help you achieve your financial goals is to check out our home and auto insurance premiums! We have saved the average family about \$908 annually. So add a premium check up to your to-do list when you make your appointment.

I look forward to helping you make your 2019 New Years Resolutions become a reality!

Sincerely,

Brett Nicklaus, CFP
